

Chapter 8 (PQA)

1. What does Two-Bit mean when he says, "You know, the only thing that keeps Darry from being a Soc is us"?
2. What word (that turns up often) comes up again when Pony compares his mother to Johnny's?
3. What makes Pony, for the first time, think of Dally as his buddy?
(Use a quote from Dally.)
4. We get an example of **irony** from Two-Bit. What is it?
5. We also get an example of what seems to be **foreshadowing** when Ponyboy is talking to Two-Bit. What is it?
6. (quote) Use a quote from Cherry to show how Dally is like Bob.
7. Why does Pony suddenly bring up the sunset when he is talking to Cherry? What is he trying to say? a) "I understand your problems now." b) He's trying to change the subject, because Johnny's condition

is too sad to talk about. c) "Can I come over to your house to watch the sunset?" d) He's trying to make her feel guilty.

8. Why might Dally have asked for Two-Bit's knife? What might S.E. Hinton be **foreshadowing**?
